Power outage among 4 countries (mins / year)

Country	Taiwan	Japan	Korea	Thailand
Min	16.3	5.0	10.3	?

TAIWAN

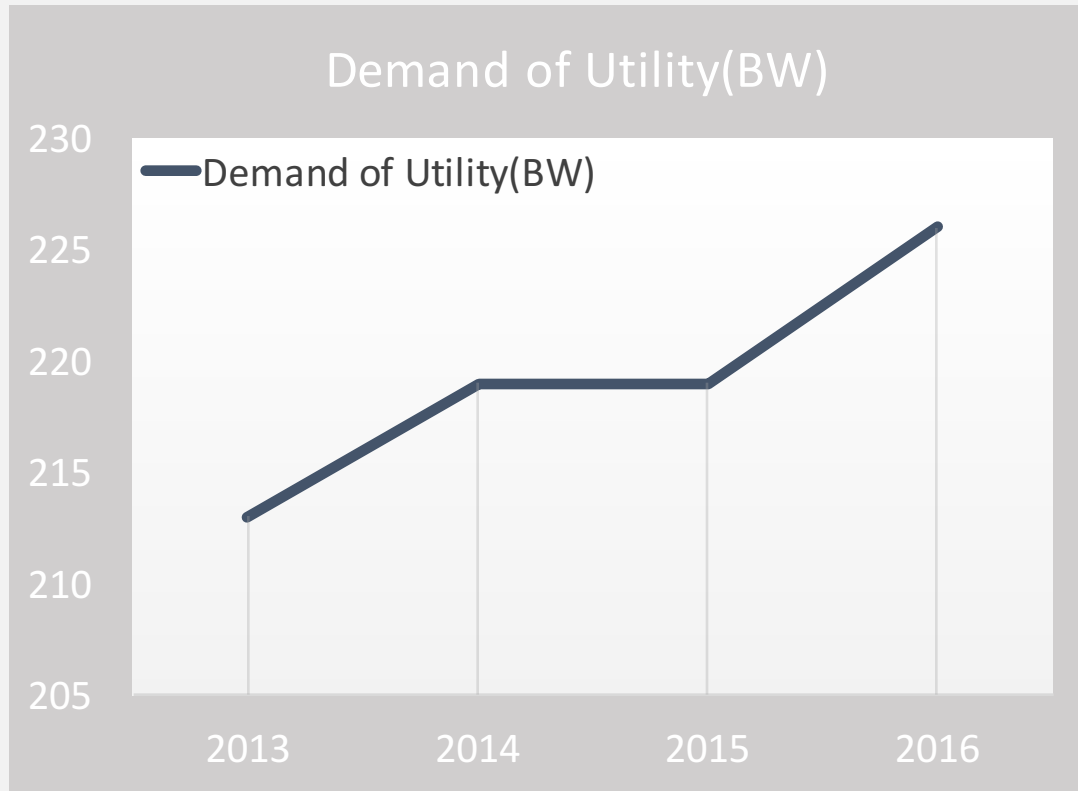

Millions of People Were Left in the Dark as a Massive Power Cut Hit Taiwan

Jess Macy Yu / Reuters

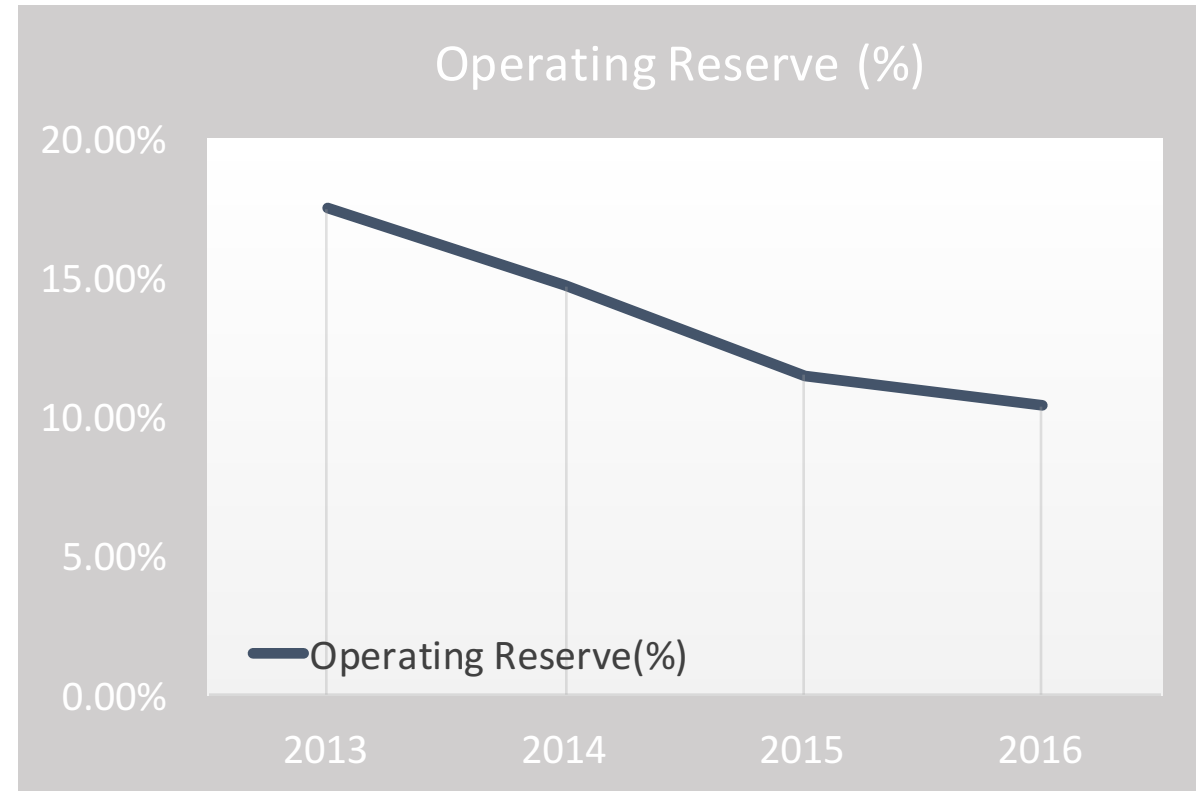

Aug 16, 2017

Demand of Electricity

Stability of Electricity

Unstable and Insufficient Power Supply

Government is the only one
can **actively** be the **role** of
enforcing **power saving policy**

Efficiency of setting power saving policy

Identify who are
wasting

Analyze the
reasons of wasting

Enforce the
right **policy**

Facilitate the process

Match up the most
effective policy
